Hey Bob,

Here's the QAPP and one of the two SOPs that need to be incorporated in to a TSA checklist for the guys to use at St. Gobain next week. The SOP is almost done, but may need some additional detail. Ken-if you have any input on the SOP, please get your edits to Bob. They will be heading out next weekend (March 17), so they will need the completed checklist before the end of the week. If you have questions, feel free to bug Jeff ☺ He's also working on the impinger SOP that we will also need to incorporate.

I'm available to help as well.

Thanks,

Libby
